"OH MOTHER OF A MIGNTY BACE." BY WILLIAM CULLEN BRYANT. Oh mother of a mighty race, Yet lovely in thy youthful grace!
The elder dames, thy haughty peers,
Admire and hate thy blooming years. With words of shame

And taunts of scorn they join thy name. "For on thy cheek the glow is spread That tints thy morning hills with red; Thy step-the wild doe's rustling feet Within thy woods are not more fleet; Thy hopeful eye
Is bright as thine own surny sky.

"Aye, let them rail-those haughty ones-While safe thou dwellest with thy sons. They do not know how loved thou art, How many a fond and fearless heart Would rise to throw Its life between thee and the foe.

"They know not, in their hate and pride, What virtues with thy children bide; How true, how good, thy graceful maids Make bright, like flowers, the valley shades; What generous men

Spring, like thine oaks, by hill and glen. "What cordial welcomes greet the guest By thy lone rivers of the West; How faith is kept and truth revered, And man is loved and God is feared In woodland homes.

And where the solemn ocean foams. "There's freedom at thy gates, and rest, For earth's down-trodden and opprest, A shelter for the hunted head, For the starved laborer toil and bread-Power at thy bounds.

Steps and calls back his baffled hounds. "Oh fair young mother! on thy brow Fhall sit a nobler grace than now. Deep in the brightness of thy skies The thronging years in glory rise, And, as they fleet,

Drop strength and riches at thy feet. "Thine eye, with every coming hour, Shall brighten, and thy form shall tower, And when thy sisters, elder born, Would brand thy name with words of score Before thine eye Upon their lips the taunt shall die."

"OUR BECKEY DOES!"-A young da sel who is engaged and will shortly united to a son of Neptune, lately visi the Mariner's church. During the E. mon, the parson discoursed eloquent and with much earnestness, of the d gers and temptations of the sailor. concluded by asking the following qu tien: "Is there any one who thinks a thing of him who wears a tarpaulin ! and blue jacket, or a pair of trous made of duck? In short, is there c who cares aught for the poor sailor A little girl, a sister of the damset jumped up, and looking archly at har sister, said, in a tone loud enough to be heard by every one, "Yes, sir; our Beckey does."

To those who have a predisposition to paralysis it will prove a complete and unfailing safeguard against that terrible malady. There are many, perhaps, who have so trifled with their constitutions, that they think themselves beyond the reach of medicine. Let not even these despair. The Elixir deals with disease as it exists, without reference to causes, and will not only remove the disorder itself, but

REBUILD THE BROKEN CONSTITUTION. The derangements of the system, leading to ner yous tiseases, and the forms of nervous disease itself, are so numerous that it would require a column to enumerate the maladies for which this prepararation is a specific. KIBWELL'S COMPOUND FLUID EXTRACT OF BEECH DROP Or, Cancer Root.

OER, ULCERATED SORE THROAT, WHITE SWELLING, BRONCHI-TIS, DROPSY, AND ALL
DISTASES ARISING FROM THE IMPURITY OF THE BLOOD.

Prepared by J. L. KIDWELL, Chemist, George own, D. C. The estimate that is now accorded this preparation by the medical profession and by others competent to judge of its merits, may be seen in the

fact that it has been prescribed by many of our most eminent Physicians in this country, and has attracted the attention of a celebrated profession of the Edinburg College, Scotland, by whom it has been successfully used in a career of an aggravated character. The proprieter has been forced to make more ex-

ensive arrangements to meet the rapidly increasing demand for BEECH DROP.

VINCENNES, INDIANA, Oct. 3, 1864. J. L. Kidwell-Dear Sir: Some three months ago, through the agency of Col Smith Miller, our representation in Congress, I had purchased of you, for the use of my father in Scotland, one dozen Bottles of Beech Drop or Cancer Preparation. I have a let-ter from my brother, stating that the physician desires you to forward another dozen bottles. He thinks under its use the disease is arrested. I may add that my father has tried every physician of dis-tinction in Scotland and England, including Professors of Edinburg and Collleges, without relief. The disease was of three years standing, began in the right cheek, which is partially consumed. He was a sufferer with constant pain, which has entirely

Dear Sir—With great pleasure I inform that your preparation of Beech Drop has accomplished for me

and will with pleasure communicate with any one

what I thought beyond the reach of human agency. For the last twelve years I have been afflicted with Scrofula of a Cancerous form. So extensive was the ulcers and so horrible my appearance that my case became notorious with all the Faculty in this and the adjoining counties-in fact I had obtained the best medical aid in our State, without any abatement of the disease. Through a friend I procured a half dozen bottles of your Beech Drep, after using t, so perfect was the cure, that hundreds visited me. My desire is to benefit my fellow man; with that purpose I beg all adlicted with Scrofula in any form to use it. Enclosed you will find an order from some friends

for the preparation. Very truly, JNO. C. FLINT. For sale by Druggist) and Dealers in Medicines in
